The Village at Winona

• Suggested Sites for Commemorative Stone Benches and Commissioned Outdoor Sculpture

The Heritage Trail Art Project

is sponsored by the Winona Lake Arts Commission. For more information or to sponsor a commemorative stone bench or commissioned outdoor sculpture, call (574) 267-5783

HERITAGE TRAIL

Art Project

Project Theme

“Heritage Trail,” Winona Lake’s portion of the Lake City Greenway, will feature artwork that interprets attributes of the heritage of Winona Lake. These attributes include:

kindness, virtue, generosity, community, gathering, beauty, respect, legacy, peace, and love. A stone commemorative bench will be included in the vicinity of the artwork.

The Heritage Trail will soon invite walkers, bicyclists, and outdoor enthusiasts to Winona Lake to enjoy the rich woods and scenery of our historic community. The Heritage Trail Art Project seeks to enhance the artistic dimension of the trail and our community by installing commemorative stone benches and commissioned outdoor sculptures at selected locations along the trail.

The Heritage Trail Art Project provides the opportunity to remember a loved one or provide a lasting legacy for generations to enjoy. Please consider a gift of \$1,250 for a stone bench with commemorative plate or \$5,000 for commissioned artwork. Your generosity will be a perpetual gift for the enjoyment of residents and visitors for years to come.
